Dave and friends,

Elliott made this photolog from the events at Gold King Tuesday and Wednesday and asked me

to send it to you and Steve Way (Steve's is in a separate e-mail). Note the dates and times in the lower right of most photos. It seems like there was a lot of quick thinking and effective response to events. Elliott's documentation is great – I'm impressed at his photos and also his dedication in putting all of this together after a long stressful day.

I guess there are videos also!
